

JUDGE BUTTON EXHIBITS—Mrs. Charles Smead, Springfield, Mo., and Mrs. W. E. Woodson, Hutchinson, Kan., two of the judges for the button exhibit which is showing Friday and Saturday at the Wichita art museum are looking over some of the entries. The large picture being held by them is a map of the U.S.A. with products of the various states depicted by buttons. To the left is a card of black faceted buttons and on the extreme right are some ivory toggles, made in China for use on zippers and tobacco pouches. The show is open to the public from 2 to 6 p. m., each day and there will be a Kodachrome slide show of buttons at 7:30 p. m. Friday.—Eagle Staff Photo.)
