Award # 14 - Kansas 2010

Division IX, Class 1-4.2 Bubble tops specialized to glow. In memory of Esther Alexander.													
Correct number of buttons: 22													
Correct Size: **Any Size**													
Division IX (Any Age). All buttons are celluloid bubble tops with discernable air space under the sheet of celluloid. May be simple or molded; transparent or a combination of transparent and opaque. Whole button may be celluloid or back may be metal, paper, etc. Glows have a completely or partly transparent bubble that reveals a base of foil, irridescent celluloid or other shiny material.
