Award # 36 - Kansas 2010

Division IX (Any age) Class 23-3.3 Sew-thru including at least one from each of the 4 pictorial sections, patterns, OMEs (other material embellishment) and D.F. (decorative finish).										
Correct number of buttons: 20										
Correct Size: Large										
Buttons have holes front to back for the purpose of sewing them onto a garment. Included are china igloos and some dorset buttons. A whistle is a sew through button of solid or hollow construction with a single vertical hole on the front (small in diameter) and two or more holes on the back. Bottom holes are not fully visible from the top of the button. Might try for three and five hole buttons to be included in selection.
